Cherry Garden is an outstanding community special school that meets the needs of children (2-11 years) with severe and complex needs including autism. We are in a new state of the art building with brilliant facilities and extensive landscaped grounds and it goes without saying the children are amazing.

We are seeking to appoint an enthusiastic, patient and committed person to work with our pupils with special needs. The role involves supporting pupils to develop their independence skills during dinner times and taking an active role in playing and interacting with pupils in the playground.

Are you child centred, committed and a team player? If yes, we would like to hear from you. We are a friendly and supportive school team that provides induction and ongoing support. Please take a look at our website at [www.cherrygardenschool.co.uk](http://www.cherrygardenschool.co.uk), check out our Twitter account @CherryGdnSchool or our Instagram @cherrygardensch to see our amazing children in action!
